AN OUT OF THE ORDINARY EVENING

OCTOBER 15, 2020

35th annual benefit

LANDSCAPE ARCHITECTURE FOUNDATION
Welcome to An Out of the Ordinary Evening, a re-imagining of LAF’s 35th Annual Benefit!

I know there are many demands requiring your leadership, financial support, time, and energy right now so thank you for joining us tonight for LAF’s fundraising and most social event of the year. We appreciate your support of LAF’s research, scholarships and leadership programs and look forward to sharing meaningful connections, laughs, and memorable moments with you, our friends and colleagues, as we try something new with our special virtual format.

I want to thank our 23 Annual Benefit sponsors for their commitment to LAF’s mission and to supporting the landscape architecture community. We have many longtime supporters of LAF as well as several new ones, and we are especially grateful for their commitments during this time of disruption and uncertainty.

And finally, one thing that is certain now more than ever, is the importance of LAF’s mission for landscape architects to help create a more sustainable, just, and habitable future. That’s what tonight is all about—sharing this experience together to strengthen our community, celebrate you, and support LAF to increase your influence and impact. I’m honored and delighted you are here. Please make the most of this platform to learn something new about someone, share something about yourself, and have fun!
